 Tense Buster V11
 ▶ **Start**

2. After clicking the 'Start' button, you will see a screen like this:

3. Use your 8-digit **Navitas ID Number + @mystudyspace.com** as the barcode number

    e.g. 10221234@mystudyspace.com

4. Once through the green barcode log in screen, each program has another log in screen.

   - Click 'Start'
   - Do not try to log in using an email and password

5. The log in screen for each program looks different.

   e.g.   Here is the log in screen for 'Active Reading'. You can see it looks different to the log in screen for 'Study Skills Success' above:

Please note that most of the Clarity English suite uses Flash and does not work on mobile devices. However, *Tense Buster*, *Study Skills Success*, and *Active Reading* are available to use on mobile devices in *Navitas English's myStudy Space app*.
